Timely registration required.
See warranty certificate for details.

AFUE stands for Annual Fuel Utilization Efficiency.

Timely registration required for 10 year parts limited warranty. Limited warranty period is 5 years for parts if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.

Many models are ENERGY STAR® qualified. Ask your contractor for details or visit www.energystar.gov.
